

NEW OPPORTUNITIES IN GARDENING AND AGRICULTURE PROFESSIONS

**NO GAP
Multiplier
Events**

**Final
Conferences**

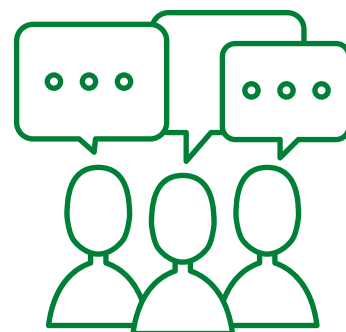

The final conferences of our project took place this summer in all four countries of the partnership (Cyprus, Germany, Poland and Portugal).

The project results were demonstrated, the training contents and materials as well as the methodology used were presented. All participants were informed about the results of the project, had access to the teaching and learning materials and the training platform.

The NO GAP project is at its end

After two years, our NO GAP project is coming to an end.

At this final stage, we would like to thank everyone who has been involved in any way with the project, all the participants in the pilot tests and multiplier events, all the stakeholders and organisations.

We hope you will continue to use the content we have developed in the project. May our work continue to make a difference!
